

Gallery Rose Scholarship

This scholarship is in memory of Rose Kippenhuck. Rose was a kind hearted and friendly employee of the Gallery Pharmacy. She spent most of her life in Labrador City and worked in retail all of her life. When one thinks of the typical retail worker, thoughts are not of someone who impacted the lives of others but then, Rose was not your typical person. She was a very hard worker and a kind person who treated all people with respect and warmth. She held people, elders and children especially, in high regard, and her many customers over the years also became her friends. Family was very important to Rose and she always made sure she remembered special occasions in the lives of people she loved. She has left a wonderful legacy that reminds us all of the power of kindness. The student who receives this scholarship should exhibit the following qualities: thoughtfulness, consideration, friendliness and a strong work ethic....all the characteristics that made Rose a valued employee and friend.
