To whom it may concern:

Glenn's Helping Hand is a Foundation formed to help people who suffer from Diabetes. Our foundation helps fund the purchase of Insulin Pumps, Glucose Monitors and supplies for people who do not have insurance or do not qualify for Government funding. In addition to these efforts we also send kids every summer to Camp Douwanna which is a camp specifically for children who have Type 1 Diabetes. Another initiative we have taken on is an Annual Scholarship that we provide to children who are graduating from High School and are planning on continuing their education in a Post-Secondary Institution. In order that we may be able to reach as many children as possible we are asking if the School District Office would forward the information attached to all High Schools in Newfoundland and Labrador. If you have any questions please call me at 725-5299 or by email at [warrensullivan578@gmail.com](mailto:warrensullivan578@gmail.com)
