

As a follow-up to the email we sent in December, we would like to give you some additional information regarding the **Bachelor of Nursing (Collaborative) Program** offered at Memorial University:

- **Nursing Information Session:** The Bachelor of Nursing (Collaborative) Site Information Session for February will be held on different dates for the Corner Brook and St. John's sessions this February. Please note the location, date and time below:
 - Western Regional School of Nursing (**WRSON**), Corner Brook: 7 p.m. on **February 4**.
 - MUN School of Nursing (**MUNSON**), St. John's: 7 p.m. on **February 11**.
- **Deadline to Apply:** The deadline to apply **March 1**. All documents must be received in the Nursing Consortium Office, or post-marked, by March 1.
- **Midterm Grades:** Students or school representatives **MUST** email us a copy of the **student's February report cards/midterm grades**. These grades are required for admission into the Bachelor of Nursing (Collaborative) Program. If we do not receive these grades by the March 1st deadline, we cannot proceed with the application.
- **Set-Up MUN Email Account:** Nursing admission decisions will be emailed to the student's @mun account and to their personal email account. Therefore, please encourage your students to **set-up their @mun account and check it regularly**. Here is a link which shows how to set-up the @mun account:
<http://www.mun.ca/cc/munmail/makethechoice.php>
- **Receipt of Documents:** If students applied online, they can track receipt of their documents by logging in and viewing the receipt status. **Please Note:** it can take us several days to enter documents in the system once we receive them, therefore students should keep checking the system for updates.
- **Reference Information:** Information pertaining to references, along with the link to the Form can be found on the Nursing Admissions website; the link is also located with the online application. **Please Note:** the Reference Form works best with Internet Explorer. If it is easier, the form can also be scanned and emailed to us in the Nursing Consortium Office. Here is a link to the new Form: <http://www.mun.ca/nursingadmissions/Admission/ReferenceForm/>
- **Email:** If you should not receive this email and/or you know of someone that should receive this email but is missing from the list, please let us know.
- **Nursing Admission Questions?** Contact the Nursing Consortium Office at: nursingadmissions@mun.ca; www.mun.ca/nursingadmissions; 709.864.6703.
