

My name is Sharon Slauenwhite and I work for the PEI provincial government in the field of public infrastructure. In conjunction with my work, I serve on the board of a nonprofit education foundation called the Canadian Right of Way Education Foundation that offers a \$2500 high school graduate scholarship and I am spreading the word to Atlantic Canada high schools in an effort to let students know about this opportunity.

The scholarship is open to graduating high school students who will be pursuing studies in fields related to public infrastructure such as engineering, real property law, land use planning, real property appraisal, surveying and environmental studies.

If there is a student scholarship handbook or a space on your school guidance office webpage could you please ensure the scholarship information is available? The deadline for applications is February 2nd, 2015.

The application form can be found at:

https://www.irwaonline.org/eweb/upload/award_forms/Canadian_scholarship.pdf

For more information on the Canadian Right of Way Education Foundation (aka CRWEF) and it's partner organization the International Right of Way Association (IRWA) the main website is: www.irwaonline.org

Thank you!

Sharon Slauenwhite BA, SR/WA

Supervisor Roads and Rights-of-Way
Land and Environment Division - Properties Section
PEI Dept. of Transportation and Infrastructure Renewal
