For 19 years, Niagara Region Right to Life has been organizing the Father Ted Colleton Scholarship program. The topics have varied over the years, but they have always challenged students to think more deeply about life issues and to write about them cogently. The prizes are awarded following an evaluation process conducted by a committee that assesses the essay-writing component. (Letters of reference and a demonstrated commitment to pro-life are also elements of the contest.)

One of Fr. Ted's favourite quotations was that from Edmund Burke: *"All evil needs to flourish is that good men do nothing."* He always called on the good young people in our society to do something instead.

Scholarship Program
2020-2021**

Niagara Region Right to Life offers *The Father Ted Colleton Scholarship* essay contest as part of its mandate to reach out to society in an educational format. In particular, Niagara Region Right To Life wishes to help educate and inform the younger generations about the preciousness and possibilities of human life from conception to natural death and how certain threats affect those possibilities in its beginnings.

FATHER TED COLLETON: AN INTRODUCTION

(for a fuller biographical summary go to www.theinterim.ca)

- Father Edward (Ted) Colleton (b. 1913- d. 2011) promoted pro-life principles and values for almost seven decades.
- Born in Dublin, Ireland in 1913, he entered the Spiritan Order in 1932, was ordained a priest in 1940 and was assigned to serve in Kenya. Forced to leave that mission field in 1971, he was reassigned to Canada, a nation that was bent on liberalizing its abortion laws.

- He joined the pro-life movement and set about educating the public, especially his beloved young people, about the tragedy of abortion. For more than 35 years Father Ted was a compelling pro-life writer and speaker, gentle teacher, committed activist, and raconteur par excellence,

communicating to hundreds of thousands of people. He was arrested and briefly jailed for his witnessing against the evil of abortion laws or lack thereof.

- Father Ted believed that prayer was the most important action of human beings in winning the right to life for unborn generations present and to come. He died peacefully on April 26, 2011. His life work inspires many far and wide.
